

## The Lone Star Miniature Schnauzer Club Specialty Let's Make it a Major

As most of you know, it has been tough trying to find majors in Texas and beyond. We have a fantastic opportunity for you to join the Texas Cluster of Shows where we have 3 weekends with four day shows in the Month of July starting with Dallas, San Antonio, and Houston. See judge selections below for the 4 days of shows in Dallas, as well as San Antonio and Houston.

The Lone Star Miniature Schnauzer Specialty will be a designated specialty within the North Texas Terrier Club show on Thursday, July 7, 2016. Market Hall is a great indoor facility with several advantages including air conditioned facilities, ample parking, plenty of grooming (reserved and non reserved). Location is close proximity to many hotels and restaurants in Dallas.

We hope many of you that joined us 2015 and past shows will return to Texas this Summer. If you have any questions or travel inquiries, please feel free to contact us. Warmest Regards! Terry Hamer, President LSMSC
